Circular – 17: Std X – CBSE Registration

08-Aug-2019

Dear Parents

Registration for Grade X CBSE Board examinations started. In this context, I would personally request all the parents to do the following:

1. Check the data in the Parent Login of School Digital. Please verify that there is no error in the spelling of the name of the student, father and mother, and date of birth of the student. If there is any error, please check with the birth certificate and verify once again. If you have submitted any acceptable supporting documents like One and the Same Certificate, please verify the data with the One and the Same Certificate too. If you find errors even after comparing the data with documents, please find some time to come to the office to make sure that the corrections are done. For the convenience of the parents, office shall function till 6 pm between 19-Aug-2019 to 22-Aug-2019 and till 12 noon on 23 and 24 – Aug-2019.
2. Acceptable documents are:
 - a. Correction in the name of the student or date of birth – Birth Certificate only
 - b. Correction in the name of the Father or Mother – One and the Same Certificate issued by the village officer either directly or through Akshaya offices.
 - c. No other documents are acceptable.
3. You may be aware of the introduction of Standard Mathematics and Basic Mathematics by CBSE for the board examinations of March 2020. Circular of the board regarding this shall be published in the Circular section of the School Digital. You may go through the CBSE circular. Main points are given below:
 - a. Choice of Standard Mathematics and Basic Mathematics is to be done before registration of Students of Std X for the Board Examinations of March 2020. Once registered, there is no option to change the subject for March 2020 examinations.
 - b. School will be registering the students latest by 31-Aug-2019. Parents have to take the final decision latest by 27-Aug-2019.
 - c. If a student chooses Basic Mathematics, then the student cannot take mathematics in Grade XI. Such students can opt for any other combination where there is no mathematics.

- d. A Basic Mathematics chosen student, if he/she wants to change to Standard Mathematics, can appear for the Compartment Examination in Standard Mathematics. This year, Compartment Examination was held on 02-July-2019. Moving from Basic Mathematics to Standard Mathematics may cause the student losing one year. Therefore, utmost attention must be paid before choosing between the two.
 - e. Irrespective of the choice of Mathematics, students have to study the entire portion of Mathematics as prescribed by the CBSE. Question Paper will be different for Standard Mathematics and Basic Mathematics.
 - f. For more details, please refer to the CBSE circular.
4. Students of Std X will be given the already registered details on Tuesday. This will be a piece of paper as received from CBSE in mail. Please go through the information regarding the registered subjects too. If there is any error, please intimate.
 5. Together with the details of the registration, Choice of Standard Mathematics and Basic Mathematics will also be given. Submit the choice of your ward on or before 27-Aug-2019. There should not be any correction in the choice form. If there is any correction, it will be rejected.
 6. If the choice form is not submitted, Standard Mathematics will be assigned from the school.

Both parents of students of Std X will have to come to school office between 03rd and 06th August, 2019 between 10 am and 6 pm or 07th August 2019 between 9 am and 12 noon to sign on the finalized print of the List of Students for the Board Examinations of March 2020. If any one of the parents is out of station, then the available parent may give a declaration in this effect addressed to the Principal and the available parent may sign for the absent parent. Declaration shall be made available in the office.

To register in the Parent Login of School Digital, please refer to the School Circular No: 16 dated 05-Aug-2019. The same instruction is given in Parent Login (sub-menu) of the FACILITIES menu of the school website, www.shpublicschool.com.
