27-02-2020 – Commencement of Std X portions

29-02-2019 – Compartment Exam

Reason behind rescheduling – By this time, you may be aware that CBSE board examinations commence from February 15 this year onwards. It results in the reduction of number of working days for the students of Std 10. By rescheduling, portions of Std X can be started from 27-02-2019 which will give one month extra to complete and revise the portions of Std X. Hope you understands the good intention of rescheduling and starting the portions of Std X one month ahead.
