

Circular – 60 : Std I-VIII : Virtual Open House 29-Mar-2020

Dear Parent

A Virtual Open House will be held on 30-Mar-2020 for the students of Std I to III and on 31-Mar-2020 for the students of Std IV to VIII between 9:30 am and 12:30 pm.

Parents can call only from the registered mobile numbers. All other calls will be rejected. By this time, you have received your registered numbers in School Digital Notification.

You may follow the steps:

1. Ring to the mobile number 7560944440. It would be better that you switch on the loud speaker or connect to headset before you start ringing, because immediately after you ring the number, the system will ask you to enter the Admission Number of the student and Subject Code for which you require the dial pad.
2. When prompted, enter the Admission Number and Subject Code. Subject Code for your ward is given in this circular. You must refer to the circular before you start dialing.
3. Then wait for the call to be connected. If the teacher is not engaged, call will be connected, otherwise call will be disconnected with a prompt after sometime.
4. Please be short in calls as there may be more parents waiting to speak to the teachers.
5. Subject Code of Std I-A is given in the table:

Class	Div	Subject	Subject Code
I	A	English	01

If your ward's Admission Number is 1234 and the subject code is 01, then you must enter 123401 when prompted..

The system will be working only on the specified days at the specified time.

You are requested to send your comments, if there is any, to support@shpublicschool.com with the subject VOH (first letter of Virtual Open House). This will help the system to become more robust.
