

SACRED HEART CMI KINDERGARTEN, THEVARA

SHKG/CIR-02/20 -21

15/07/2020

Dear Parents,

Please note the following as we begin the online classes for your children.

- As I had informed through the introductory message, all the lessons will be attached to 'OLASH', the official online platform of Sacred Heart CMI Public School and Kindergarten.
- Please use student's admission number as login id and password to login in OLASH.
- The lessons will be uploaded on alternate days, on all Mondays, Wednesdays and Fridays for LKG and UKG students.
- There will be two different topics for each day's class.
- The topics are English, Numeracy, EVS (for UKG), General Awareness, Concepts, Rhymes, Stories, Art, Craft (paper craft, origami, clay modeling etc) and Warm up or Physical Education activities.
- Each video will be numbered as chapter wise with video1, video 2 etc for each topic (for example: UKG English Chapter1 Video 1, UKG English Chapter1 Video 2)
- Syllabus in which the topics covered for two weeks with the materials required for each activity will also be attached to Circular Menu of the School Digital. This is to help you arrange the study materials for each activity on time.
- Worksheets for each topic will be attached to OLASH. Parents can download and take printouts if you have the facility to print at home.
- A Google Form link is already sent in the Circular Menu of the School Digital to get the requirement of the printed worksheet from the school. Parents must fill the form on or before 19-July-2020, Sunday if you require the printed worksheets from the school.
- File the completed worksheets separately and submit the files when asked to do so.
- Parents' supervision is very important so as to give practice to your children every day as per the given information.
- Arrange certain study materials and stationeries before you start the online class of your child, such as:
 1. A four line and a unruled (plain) note book (for UKG students)
 2. A single line notebook (for LKG's to do rough works)
 3. A packet of A4 sheet of paper
 4. Pencil, eraser and sharpener
 5. A set of crayons
 6. A pack of clay with different colours

7. A pair of safety-blunt edged scissors (for UKG students)
8. Old newspapers
9. A pack of poster colours (red, yellow, blue, green, white and black)
10. Paper Files or file folders – 4 numbers (to keep the finished worksheets of English, Numeracy, EVS and General Awareness).
