

Dear parents

As per the calendar, Periodic Test 2 for class 09 will be held from 29-09-2021 to 09-10-2021.

- Observing the CBSE question papers of a last few years, it is noted that there is a trend to increase number of the objective type questions in question papers. Therefore, to make the students familiar with objective type questions, 40% of the marks shall be objective type questions.
- For Class 09, PT 2 will be held as per the schedule with full portions out of 80. 40% (32 out of 80) shall be objective type questions. Total marks would be $80 + 20 = 100$.
- Portions of the examination will be given by the subject teachers. However, all portions taught so far in this academic year will be included in the examination.
- Objective Type will be held in google classroom with limited time. All students are expected to complete the objective type within the given time. There is no late submission for objective type.
