Your attention please:

1. Students have to report at 8:25 am and the revision will go up to 3:00 pm. We are expecting that the government will grant permission to conduct classes in the afternoon too by the time.
2. Since the examination of class 10 and 12 are held in two phases (Term 1 and Term 2), total marks are also distributed into two Term 1 and Term 2 for theory and practical. Therefore, school has to conduct practical/internal examination for all subjects except English. ASL is already conducted in online mode. Please see to the date of Board Internals and be present without fail. Dates are fixed and informed to the external examiners.
