General Information

- Top up of advance fee is possible only through School Digital or by submitting a DD in the school office.
- It will take at least 3 bank working days for any online payment to reflect in School Digital.
- If anybody wishes to top up advance fee by way of DD, then the DD must be submitted in the office before 3 bank working days.

Important

- It is learnt that the Federal Bank is going to discontinue with the present fee payment system to introduce Bharath Bill Payment System. Once school receives its details, we shall let you know what to do.
- School will not accept if the proposed system is not pro-automation and goes along with School Digital.
- Therefore, parents are requested to get ready with alternative. Alternatives are:
 - **Online payment** – Parents can pay the fees through School Digital using NET Banking, Debit Card, Credit Card or UPI. Service charge is deducted by the bank except in UPI.
 - **Linked South Indian Bank Account** – Parents may open an account in any one of the branches of the South Indian Bank and link the account with the school fees using the Declaration Form available at the school office. Required amount will be automatically deducted from the linked account. There is no service charge in this method.
- **Note:** School recommends the payment system of Linked South Indian Bank Account for the payment of all school fees. There will not be any issue of double/duplicate payment in the Linked South Indian Bank Account system. Those who opt for Online Payment is opting it for their convenience for which applicable service charge is to be paid to bank.
