

Dear Parent

Std XII syllabus will be completed this week and intensive revision will be given from Nov 7 to Dec 7. Schedule of the Intensive Revision is already given to the students. **There will be a revision test every morning from 8.45-9.45 a.m. on the portion that was revised the previous day. All students of XII can disperse at 2 p.m. on these days to prepare for the test paper.** Marks of the test papers will be available in the School Digital. It is compulsory that every student attend the revision test papers scheduled each day. If any student misses the test paper, he/she will not be allowed to attend the next test paper or the revision class unless the parent accompanies his/her ward and gives an explanation. The 1<sup>st</sup> model exam is scheduled from December 9 to December 19. Kindly acknowledge receipt of this circular by signing below and sending the slip.

Principal

.....

I have seen the circular regarding the revision schedule of Std XII and the 1<sup>st</sup> Model exam and will ensure that my ward attends them regularly.
